

Hello GDPAA families,

To better prepare ourselves for the upcoming 2020-2020 dance season, and the enhanced safety and sanitation efforts our studio will embrace, we are offering masks from our provider for those interested. The cost will be \$12. (or \$15 with initials only embroidery).

The illustration below shows the style, at this point, we are ordering in black with white lettering with initials in lower corner

[Please drop me an email with your order information and send your payment in to the office by July 20, 2020 if you would like to order with/without embroidery.](#)

Keep dancing in your heart

Diane
