NEWS YOU CAN USE

Hello, Dance Families!

May is the marvelous month of terrific transformation; both in nature and in the studios. As we finish and polish our showcase pieces, we work to this quote with all our students and performers:

What you think you become.

What you feel you attract.

What you imagine you create. ~Buddha

So much of our choreography and presentation is inspired by our students. They've taken our lesson outlines, overarching concepts and techniques, observed and absorbed, and pushed them further to the edges of artistry and performance. It's been a wonderful and wonder-filled season, and we all look forward to the performances on June 9th & 10th; displaying the dedicated and dynamic dancers and performers of GD&PAA!

Thank you all for your steadfast enthusiasm and devotion to your GD&PAA performers, our instructors and staff!

May the days of May bring you bright and happy hours that stay all month long!
Ms. Linda
