'50 Years Young'

Hello, GD&PAA families!

A big welcome our students, families and friends to this beautiful season of Autumn! Already, the trees are being painted in those special fall colors and pumpkins are beginning to appear. In the classes, the staff and students are working on many combinations, soon to turn colorfully as twirling leaves, looking ahead to great things to come in this 50th anniversary season! Again wondering, 'where will GD&PAA take you?' We encourage our dancers and performers to take our newsletter with them to school, sporting events, favorite coffee and shopping spots and even vacations. Take a picture with our GD&PAA newsletter or wearing your spirit wear showing your GD&PAA 50 Years Young Spirit and send it in to us- and be entered in a raffle for a gift card or spirit wear item! The first drawing will be the 30th of October. Our staff is eager to help each student reach their ideal of 'where will GD&PAA take you' in their personal and performance goals. Small steps can carry us in new and exciting directions; on and off the stage, leading us to leap with faith! As we say, "Tip to, tap, pirouette or leap if you like, but take the step. GD&PAA - a step in the right direction; where will it take you in this special celebratory season?"
