# Showcase PERFORMER Information

**Dressing Rooms:** During the performance students will remain in their dressing rooms. No one, including parents, will be allowed backstage other than those who have volunteered to work. Volunteers must be checked off the list to gain entry. Volunteers should sign in at dress rehearsal and both shows. There will be no exceptions to this rule. We do not risk unauthorized people going into children's dressing rooms.

Some performers may need to change backstage or in the "garage area" - Dressers will be assigned to assist dancers with quick changes. **Please stay organized and bring a laundry basket with the dancer's name on all costumes, shoes and accessories.** Portable hanging racks are helpful.

**Articles/Items:** Each dancer should come to both dress rehearsal and the performances with the following: Complete costumes with correct tights and correct shoe colors, safety pins, bobby pins, hairnet, gel, hairspray, hand towel or baby wipes. Water and light snacks are allowed.

**Make-up:** Each dancer at the full dress rehearsal and at each performance must wear stage make-up, including young students. Stage lights are very strong and will wash out dancers' faces. It must be applied bolder and heavier than for street wear, and be sure to blend. All Female Students: **Blush** in a rose or pink shade; not earth toned. **Lipstick** in a dark pink or red color, **Eye shadow** in earth tones, i.e. browns and taupe. Age 8 and up add: Black eyeliner/ mascara/ make-up base or foundation/powder to set makeup. Intermediate/Advanced dancers: False eyelashes encouraged but not required. Company & Apprentices: Eyelashes & mascara required.

**Hair:** Every dancer, unless otherwise instructed by their teacher for a specific dance, must have their hair secured up in a bun, knot, or pinned-up French braid with bangs secured back completely off the face. Short or unruly hair should be gelled back.

**Male Performers:** Please see your instructor for directions.

**COSTUMES:** Are to be put together correctly and securely, pressed and clean, and each costume piece, INCLUDING shoes, should have the owner's name on it. Lost costume pieces are then easily returned. A laundry basket or portable rack and bins are helpful to stay organized.

**Tights:** New, clean tights are required for the show as older tights that have been washed repeatedly change color which is very noticeable under stage lights (unless you are wearing tights under costumes with pants). All classes must wear the same brand and style # of tights. Tights are sold through [www.curtaincallfordance.com](http://www.curtaincallfordance.com) (Grossi Dance - Manchester, CT password - sparkle411) or at Dance Village in Manchester. Information on the correct color tights and shoes for your class is available in the "Look Book" in the waiting room.

**No jewelry** will be worn (unless already specified by teacher), except earring studs. Only clear nail and toe polish and NO temporary tattoos shall be worn. **NO UNDERPANTS** shall be worn with costumes. Panty lines are unsightly and the tights take the place of panties. Professional uniformity is important for an outstanding performance and it is part of the learning process for our students.

**Final NOTES & SUGGESTED ITEMS-** for young dancers that parents/sponsors may bring:

Items such as: Coloring books, electronic games, books, non-sticky snacks and clear-colored beverages (water) so costumes mishaps do not occur.

Please: let the dressing room managers know if your child has a costume change

**Notify us: if there is a medical issue or if you need to take your child before the show ends as we check all students in and out for both performances.**
